

Cruise Radio

EXTEND THE PASSENGERS'
STAY ON YOUR SHIPS

EBH Radio Software

Please feel
invited to your
individual
presentation
ebhinfo@ebh.com

Present your brand in your exclusive worldwide cruise radio

- › Are you looking for a worldwide marketing concept to reach your active passengers for a new booking?
- › Would you like to increase your direct sales contacts?
- › Would you like to avoid marketing costs for people that are not interested in cruises?
- › See what you can do - 100% within your target group of satisfied customers

More EBH Cruise Line Products:

ROSI BMS Background Music · Music Concert Videos · Silent Disco for your discotheques during daytime · Video clips from the "Golden 80s – 2000s" for your silent disco · SYNTHIA TTS Software

Talk to your audience

- › Broadcast your own commercials:
 - New ships
 - New destinations
 - Special theme tours
 - Last minute offers
- › We insert those every 5th or 6th track within the scheduled music program

Thousands of listeners worldwide

Please calculate:

	Lets say
Number of ships	10
Passengers per cruise	3.000
Cruises per year	30
Total guests	Over 900.000 passengers
This is your potential target group	
Year by year by year	

EBH Radio Software

- › Company founded in 1985
- › More than 500 customers in the broadcast industry (Radio- and TV stations)
- › More than 30 cruiseline companies with app. 180 ships (world market leader for BGM)
